ABC LICENSE MAPS AND MAILING LABELS

SanGIS can provide maps and mailing labels for an ABC (Alcoholic Beverage Control) license. Requirements may differ between types of licenses and jurisdictions so specify parameters given by the licensing agency.

- \$100 – PDF/Printed Map and Excel Spreadsheet defining parcels within a given radius
- \$135 - PDF/Printed Map, Excel Spreadsheet, and Printed Mailing Labels
- \$50 - Each additional radius beyond the first one

The \$100 data extraction defines all parcels within a given radius from subject parcel and is provided as a PDF and/or printed map. Also included is an Excel spreadsheet with the “Site Address” information defined for each parcel.

Note: Apartment complexes will have only one address for the whole complex. Addresses for the individual apartments cannot be provided. Condominiums will have site addresses for each unit because they are separate taxable units.
